

I would like to introduce you to www.well-connected.info. It is a directory listing for Holistic, Alternative and Spiritually minded People in the states of:

Colorado, Idaho, Kansas, Nebraska, North Dakota, Montana South Dakota, Utah and Wyoming.

I am starting this website because:

- 1) I am new to Wyoming and I need to find people and services that I can use in the surrounding states.
- 2) I am a networker and so I am interested in finding people that I can network with
- 3) I believe that the site will be of service to many people
- 4) The service is FREE

I intend to send out information to the email list on Events and other happenings that you might be interested in

- The Events section can list flyers if you send them to me in PDF format (or Word – I can convert)
- The Events link will take you to a calendar, there is one calendar for each state listed above. To add your event, go to the bottom of the page, click on "another user's calendar" and a page will come up for you to choose the state. You can enter your event in the state in which it is held. To Add an event, go to the date, click of the small "+" plus sign in the upper right corner of the date, and fill in the information. If you have a global or internet event, please post to the public access calendar. Events will be approved and posted within 48 hours.
- You can be listed under more than one Category (menu item), and sub-category. If the information is exactly the same, just list the categories-subcategories where you would like to be listed.
- If the information changes, then you will need to submit a new form for each different listing (website, phone, email, etc) that you want listed along with the category-subcategory.
- The home page of the website has a link for the current list of categories-subcategories (so you don't have to go through all of the pages to find out). If there is a category-subcategory that you feel is needed, just let me know and I will add.
- The home page as a copy of the submit form, incase you prefer to print it out and mail it to me.
- You can have one of two (2) types of logos. Either a max of 120x120 square logo, or a horizontal logo of a max of 50x250. Your choice.
- The home page also has an email link so that you can send me your logo – be sure to identify yourself and your listing, so I know what it goes with.
- We do ask that if you have a website, that you link back to us, using the following information
